

# Donor Challenges

**Approved Donor Challenges allow donors to contribute to an account, which is not included in our standard gifting categories. All new Donor Challenge accounts require approval by the Board of Trustees. If you would like to establish a Donor Challenge Account please send email to [info@pvamf.org](mailto:info@pvamf.org) with your request, email and phone number. You will be contacted by a member of the Staff.**

**If you have questions about a particular challenge please contact the Group Leader.**
